Advertising Policy

Pipe Dream (PD) reserves the right to reject ads for any reason. An ad is not considered accepted until it is actually published. Proof of claims made in ads must be provided upon request. It is the advertiser's responsibility to submit digital artwork that meets the Technical Guidelines before the placement deadline. PD cannot guarantee the quality of ads that fail to meet the Technical Guidelines. The advertiser agrees that ads will be placed and charged for the full length of the contract. Cancellations or changes cannot be accepted after the first placement deadline of the contract. Prepayment is required for new customers until good credit is established with PD. Payment for credit customers is due by the date listed on the invoice, typically 15 days after the initial run date of the contract. Overdue accounts may be assessed a fee of up to 20% of the overdue balance. Accounts unpaid after 60 days will be sent to a collection agency. Make-goods will be made for errors by PD that materially affect the value of the ad. It is the advertiser's responsibility to provide proof of error to PD.
